To be eligible for a U.S. passport within the United States, applicants **must** meet one of the following conditions. He/she must either be a:

- United States citizen  
OR
- United States National.

To **qualify** as a U.S. citizen or National, the **applicant** must establish:

### Proof of U.S Citizenship:

As a primary evidence of US citizenship you must submit **one** of the following:

Should you fail to provide any primary evidence of your US citizenship, you can submit secondary evidence. Determine what form of secondary evidence is most appropriate for your situation based on the descriptions below.

1. **Early Public Records.** If you were born in the US, you can submit an early public record as a proof of your US citizenship. It must show your name, date of birth, and place of birth and preferably to be dated within the first five years of your life. Early public records are not accepted when submitted alone. They must always be accompanied with a birth record or a Letter of No Record (see below). Examples of Early Public Records are:

A Delayed U.S. Birth Certificate filed more than one year after your birth may be acceptable if:

- It lists the documentation used to create it (preferably early public records) **and**

If your Delayed U.S. Birth Certificate does not include these items, it should be submitted together with Early Public Records (see above).

3. **Letter of No Record.** If you were born in the United States and cannot present primary evidence of U.S. citizenship because you do not have a previous U.S. passport or a certified U.S. birth certificate of any kind, you must present a state-issued Letter of No Record showing: your name, your date of birth, the years for which the records have been searched and an acknowledgement that no birth certificate was found on file. A Letter of No Record must be submitted together with Early Public Records (see above).

4. **Birth Affidavit.** If you were born in the United States and cannot present primary evidence of U.S. citizenship, you may submit Form DS-10: Birth Affidavit as additional evidence of your U.S. citizenship. ## USA Passport Application for Applicants in the US

### Applying for a first time US Passport

Every applicant except those with a passport renewal in the last 15 years should fill out **Form DS-11** enclosed in this information pack.

The following applicants should also apply using this application form:

- applicants who are renewing a U.S. passport **issued over 15 years ago**
- applicants who are applying for the replacement of a **lost, stolen or mutilated** passport
- applicants who are renewing a U.S. passport which was **issued while you were under the age of 16**

### Applying for a US Passport Renewal

If your passport is over 15 years old you must apply as a 'First Time Application' using **Form DS-11** and must be supported by full documentation (i.e. full birth certificate and marriage certificate) or registration documents if applicable.

Those adults over 16 years of age whose passport is under 15 years old and who can submit that passport with their application should fill out **Form DS-82**.

If your name has changed, you must submit original documentation to reflect a legal name change, such as a marriage certificate or a certificate of name change

You must be at least 16 years old when your last passport was issued, within the last 15 years.

### Applying for a Lost or Stolen Passport

Adults aged over 16 years of age should fill out **Form DS-64** along with completed **Form DS-11** enclosed in this information pack.

### Applying for an Emergency Passport

If you are traveling within 2 weeks, and you can provide proof of this travel in the form of a paid travel itinerary, you may apply for an emergency limited-validity passport, which cannot be extended. You must fill out all of the relevant forms included in this application pack. Same-day issuance is available for applications that are complete and straightforward. In some cases, however, we may be required to refer to the Department of State; therefore, some cases may take longer. Emergency passport applications must be made in person by the applicant and require an [appointment](#). You do not need to include a pre-paid self-addressed envelope with your application. The cost of an Emergency Passport is the same as a full passport and when your emergency travel has been completed, you must apply for a full US passport and pay the associated fees.

## USA Passport Application for Applicants in the US

### Applying for a Child Passport

Child passports are for minors under 16 years of age, even though the application **Form DS-11** should be filled out for the child. If only one parent is present with the child, they also need to present a notarised **Form DS-3053**, Statement of parental consent from the other parent. Applications for children's passports are given special attention in order to lessen the possibility that a U.S. passport might be used in the course of international parental child abduction; the consent of both parents is required.

You must fill out the application on your child's behalf and they must attend in person with one or both parents or legal guardians.

Additional documentation is required for a child's application:

- Proof of child's parentage/legal guardianship
- Proof of parent(s) identity
- If only one parent is present, the applying parent should submit a notarized statement signed by the non-applying parent, consenting to the passport issuance to the minor and a photocopy of the non-applying parent's identity document

If both parents/legal guardians are present at the time of the passport application:

**Both parents must sign the passport application and provide proof of parentage/legal guardianship and proof of identity.** Evidence of parentage may consist of the child's birth certificate listing names of parents, Consular Report of Birth Abroad or Certification of Report of Birth or adoption decree listing the names of the parents, etc.

**If one parent is present at the time of the passport application:**

If only one parent is present, the applying parent/legal guardian should sign the application and present proof of parentage. The applying parent must also submit a notarized statement from the non-applying parent consenting to the passport issuance to the minor and a photocopy of the non-applying parent's identity document. The statement may be typed or handwritten.

**If one parent has sole custody/guardianship of the minor the following evidence may be submitted:**

- Birth certificate or Consular Report of Birth Abroad listing the applying parent, as the only parent.
- Adoption/guardianship decrees naming only the applying parent/guardian with no provision limiting the minor's travel.

## USA Passport Application for Applicants in the US

- Court order granting sole custody to the applying parent/guardian with no provision limiting the minor's travel.
- A court order specifically authorizing passport issuance to the minor regardless of custody or travel to a place where a U.S. passport is required.
- Court order declaring the non-applying parent or guardian incompetent.
- Death certificate of a non-applying parent.

If no documentary evidence of custody/guardianship/court order etc. is available, other documentary evidence that supports the applying parent's claim of custody may be considered. If no other evidence is available, the applying parent may submit a written statement under penalty of perjury setting out the circumstances that prevent the submission of documentary evidence.

### Changing the Name on Your Passport

The name on your passport should always match your legal name and the name should match the name in which you booked your travel. When you apply to change your name, your current passport will be cancelled and a new standard ten-year passport issued. Your passport will be credited with extra time (up to a maximum of nine months) to cover any time left on your old passport.

You must provide additional supplementary information proving your change of name. This can be in the form of a marriage or civil partnership certificate, a deed poll notification or if you have reverted back to your maiden name, a letter from you declaring this along with your divorce certificates or marriage certificate showing both your maiden name and married name.

## FEDERAL TAX LAW

Section 6039E of the Internal Revenue Code (26 U.S.C. 6039E) requires you to provide your Social Security Number (SSN), if you have one, when you apply for a U.S. passport or renewal of a U.S. passport. If you have not been issued a SSN, enter zeros in box #5 of this form. If you are residing abroad, you must also provide the name of the foreign country in which you are residing. The Department of State must provide your SSN and foreign residence information to the Department of Treasury. If you fail to provide the information, you are subject to a \$500 penalty enforced by the IRS. All questions on this matter should be directed to the nearest IRS office.

## NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

## REMITTANCE OF FEES

31 U.S.C. 7701 requires persons "doing business" with a federal agency to provide their Social Security Numbers to that agency. Because the Department of State collects fees for the provision of passport services to you, you are considered a person "doing business" with the Department. Passport service fees are established by law and regulation (see 22 U.S.C. 214, 22 CFR 22.1, and 22 CFR 51.50–56) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees, because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900–904). In accordance with the Debt Collection Improvement Act (Pub.L. 104–134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible Federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred.

In addition, non-payment of passport fees may result in the invalidation of your passport. An invalidated passport cannot be used for travel.

## OTHER USES OF SOCIAL SECURITY NUMBERS

In addition to reporting your Social Security Number to Treasury and using it in connection with debt collection, the Department checks Social Security Numbers against lists of persons ineligible or potentially ineligible to receive a U.S. passport.

## PAPERWORK REDUCTION STATEMENT

You are not required to provide the information requested on this form unless the form displays a currently valid OMB number. We try to create forms and instructions that can be easily understood. Often this is difficult to do because our citizenship laws are very complex. The estimated burden time for this information collection is 85 minutes, which includes the time required to search existing data sources, gather the necessary data, complete and review this form, and provide and submit the form and any additional information required. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to us at: U.S. Department of State (A/ISS/DIR) Washington, DC 20520.

## IMPORTANT NOTICE TO APPLICANTS WHO HAVE LOST OR HAD A PREVIOUS PASSPORT BOOK AND/OR PASSPORT CARD STOLEN

A United States citizen may not normally bear more than one valid or potentially valid U.S. passport book or more than one valid or potentially valid U.S. passport card at a time. Therefore, when a valid or potentially valid U.S. passport book or U.S. passport card cannot be presented with a new application, it is necessary to submit a Form DS-64, Statement Regarding a Lost or Stolen Passport. Your statement must detail why the previous U.S. passport book and/or U.S. passport card cannot be presented.

The information you provide regarding your lost or stolen U.S. passport book or U.S. passport card will be placed into our Consular Lost/Stolen Passport System. This system is designed to prevent the misuse of your lost or stolen U.S. passport book or U.S. passport card. Anyone using a passport book or passport card reported as lost or stolen may be detained upon entry into the United States. Should you locate the U.S. passport book or U.S. passport card reported lost or stolen at a later time, report it as found and submit it for cancellation. It has been invalidated. You may not use that passport book or passport card for travel.

## PROTECT YOURSELF AGAINST IDENTITY THEFT REPORT YOUR LOST OR STOLEN PASSPORT BOOK OR PASSPORT CARD!

For more information or to report your lost or stolen passport book or passport card by phone, call NPIC or visit our website at [travel.state.gov](http://travel.state.gov).

## ACTS OR CONDITIONS

(If any of the below-mentioned acts or conditions have been performed by or apply to the applicant, the portion which applies should be lined out, and a supplementary explanatory statement under oath (or affirmation) by the applicant should be attached and made a part of this application.) I have not, since acquiring United States citizenship/nationality, been naturalized as a citizen of a foreign state; taken an oath or made an affirmation or other formal declaration of allegiance to a foreign state; entered or served in the armed forces of a foreign state; accepted or performed the duties of any office, post, or employment under the government of a foreign state or political subdivision thereof; made a formal renunciation of nationality either in the United States, or before a diplomatic or consular officer of the United States in a foreign state; or been convicted by a court or court martial of competent jurisdiction of committing any act of treason against, or attempting by force to overthrow, or bearing arms against, the United States, or conspiring to overthrow, put down, or to destroy by force, the Government of the United States.

## PRIVACY ACT STATEMENT

**AUTHORITIES:** Collection of the information solicited on this form is authorized by Titles 8, 22, and 26 of the United States Code, whether or not codified, including specifically 22 U.S.C. 211a et seq.; 26 U.S.C. 6039E, Section 236 of the Admiral James W. Nance and Meg Donovan Foreign Relations Authorization Act, Fiscal Years 2000 and 2001; Executive Order 11295 (August 5, 1966); and 22 CFR parts 50 and 51.

**PURPOSE:** The primary purpose for soliciting the information is to establish citizenship, identity, and entitlement to issuance of a U.S. passport.

**ROUTINE USES:** The information solicited on this form may be made available as a routine use to other government agencies to assist the U.S. Department of State in adjudicating passport applications and requests for related services, and for law enforcement and administrative purposes. The information may be made available to foreign government agencies to fulfill passport control and immigration duties. The information may also be provided to foreign government agencies, international organizations and, in limited cases, private persons and organizations to investigate, prosecute, or otherwise address potential violations of law or to further the Secretary's responsibility for the protection of U.S. citizens and non-citizen nationals abroad. The information may be made available to private U.S. citizen 'wardens' designated by the U.S. embassies and consulates. For a more detailed listing of the routine uses to which this information may be put, see the Prefatory Statement of Routine Uses and the listing of routine users set forth in the system descriptions for Overseas Citizen Services Records (State-05) and Passport Records (State-26) published in the Federal Register.

**CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:** With the exception of your Social Security Number (see Federal Tax Law statement on Instruction Page 3), you are not legally required to provide the information requested on this form. However, failure to do so may result in Passport Services' refusal to accept your application or result in the denial of a U.S. passport.

## ELECTRONIC PASSPORT STATEMENT

The State Department has begun issuing a new type of passport book containing an embedded electronic chip and called an "Electronic Passport". The new passport book continues to be proof of the bearer's United States citizenship/nationality and identity, and looks and functions in the same way as a passport without a chip. The addition of an electronic chip in the back cover enables the new passport book to carry a duplicate electronic copy of all information from the data page. The new passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the new passport book provides for faster clearance through some of the port-of-entry processes.

The new passport book does not require special handling or treatment, but like previous versions should be protected from extreme bending and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the new passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.

## NOTICE TO APPLICANTS FOR OFFICIAL, DIPLOMATIC, OR NO-FEE PASSPORTS

Please include this fee in your payment and submit the application to the appropriate address. **Please write "Expedite" on the outer envelope when mailing. Expedited service is available only in the United States.

**NOTE:** The Passport Center will not mail a passport to a private address outside the United States.

**NOTE:** If you choose to provide your e-mail address in Item #8 on this application, Passport Services will only use that information to contact you in the event there is a problem with your application or if you need to provide additional information to us.

## FEDERAL TAX LAW

Section 6039E of the Internal Revenue Code (26 U.S.C. 6039E) requires you to provide your Social Security Number (SSN), if you have one, when you apply for a U.S. passport or renewal of a U.S. passport. If you have not been issued a SSN, enter zeros in box #5 of this form. If you are residing abroad, you must also provide the name of the foreign country in which you are residing. The Department of State must provide your SSN and foreign residence information to the Department of Treasury. If you fail to provide the information, you are subject to a \$500 penalty enforced by the IRS. All questions on this matter should be directed to the nearest IRS office.

## NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

## REMITTANCE OF FEES

31 U.S.C. 7701 requires persons "doing business" with a federal agency to provide their Social Security Numbers to that agency. Because the Department of State collects fees for the provision of passport services to you, you are considered a person "doing business" with the Department. Passport service fees are established by law and regulation (see 22 U.S.C. 214, 22 CFR 22.1, and 22 CFR 51.50–56) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees, because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900–904). In accordance with the Debt Collection Improvement Act (Pub.L. 104–134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible Federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred. In addition, non-payment of passport fees may result in the invalidation of your passport. An invalidated passport cannot be used for travel.

## OTHER USES OF SOCIAL SECURITY NUMBERS

In addition to reporting your Social Security Number to Treasury and using it in connection with debt collection, the Department checks Social Security Numbers against lists of persons ineligible or potentially ineligible to receive a U.S. passport.

## PAPERWORK REDUCTION STATEMENT

You are not required to provide the information requested on this form unless the form displays a currently valid OMB number. We try to create forms and instructions that can be easily understood. Often this is difficult to do because our citizenship laws are very complex. The estimated burden time for this information collection is 30 minutes, which includes the time required to search existing data sources, gather the necessary data, complete and review this form, and provide and submit the form and any additional information required. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to us at: U.S. Department of State (A/ISS/DIR) Washington, DC 20520.

## IMPORTANT NOTICE TO APPLICANTS WHO HAVE LOST OR HAD A PREVIOUS PASSPORT BOOK AND/OR PASSPORT CARD STOLEN

A United States citizen may not normally bear more than one valid or potentially valid U.S. passport book or more than one valid or potentially valid U.S. passport card at a time. Therefore, when a valid or potentially valid U.S. passport book or U.S. passport card cannot be presented with a new application, it is necessary to submit a Form DS-64, Statement Regarding a Lost or Stolen Passport. Your statement must detail why the previous U.S. passport book or U.S. passport card cannot be presented.

The information you provide regarding your lost or stolen U.S. passport book or passport card will be placed into our Consular Lost or Stolen Passport System. This system is designed to prevent the misuse of your lost or stolen U.S. passport book or passport card. Anyone using the passport book or passport card reported as lost or stolen may be detained upon entry into the United States. Should you locate the U.S. passport book or passport card reported lost or stolen at a later time, report it as found and submit it for cancellation. It has been invalidated. You may not use that passport book or passport card for travel.

## PROTECT YOURSELF AGAINST IDENTITY THEFT REPORT YOUR LOST OR STOLEN PASSPORT BOOK OR PASSPORT CARD!

For more information or to report your lost or stolen passport book or passport card by phone, call NPIC or visit our website at [travel.state.gov](http://travel.state.gov).

## ACTS OR CONDITIONS

(If any of the below-mentioned acts or conditions have been performed by or apply to the applicant, the portion which applies should be lined out, and a supplementary explanatory statement under oath (or affirmation) by the applicant should be attached and made a part of this application.) I have not, since acquiring United States citizenship/nationality, been naturalized as a citizen of a foreign state; taken an oath or made an affirmation or other formal declaration of allegiance to a foreign state; entered or served in the armed forces of a foreign state; accepted or performed the duties of any office, post, or employment under the government of a foreign state or political subdivision thereof; made a formal renunciation of nationality either in the United States, or before a diplomatic or consular officer of the United States in a foreign state; or been convicted by a court or court martial of competent jurisdiction of committing any act of treason against, or attempting by force to overthrow, or bearing arms against, the United States, or conspiring to overthrow, put down, or to destroy by force, the Government of the United States.

## PRIVACY ACT STATEMENT

**AUTHORITIES:** Collection of the information solicited on this form is authorized by Titles 8, 22, and 26 of the United States Code, whether or not codified, including specifically 22 U.S.C. 211a et seq.; 26 U.S.C. 6039E, Section 236 of the Admiral James W. Nance and Meg Donovan Foreign Relations Authorization Act, Fiscal Years 2000 and 2001; Executive Order 11295 (August 5, 1966); and 22 CFR parts 50 and 51.

**PURPOSE:** The primary purpose for soliciting the information is to establish citizenship, identity, and entitlement to issuance of a U.S. passport.

**ROUTINE USES:** The information solicited on this form may be made available as a routine use to other government agencies to assist the U.S. Department of State in adjudicating passport applications and requests for related services, and for law enforcement and administrative purposes. The information may be made available to foreign government agencies to fulfill passport control and immigration duties. The information may also be provided to foreign government agencies, international organizations and, in limited cases, private persons and organizations to investigate, prosecute, or otherwise address potential violations of law or to further the Secretary's responsibility for the protection of U.S. citizens and non-citizen nationals abroad. The information may be made available to private U.S. citizen 'wardens' designated by the U.S. embassies and consulates. For a more detailed listing of the routine uses to which this information may be put, see the Prefatory Statement of Routine Uses and the listing of routine users set forth in the system descriptions for Overseas Citizen Services Records (State-05) and Passport Records (State-26) published in the Federal Register.

**CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:** With the exception of your Social Security Number (see Federal Tax Law statement on Instruction Page 3), you are not legally required to provide the information requested on this form. However, failure to do so may result in Passport Services' refusal to accept your application or result in the denial of a U.S. passport.

## ELECTRONIC PASSPORT STATEMENT

The State Department has begun issuing a new type of passport book containing an embedded electronic chip and called an "Electronic Passport". The new passport book continues to be proof of the bearer's United States citizenship/nationality and identity, and looks and functions in the same way as a passport without a chip. The addition of an electronic chip in the back cover enables the new passport book to carry a duplicate electronic copy of all information from the data page. The new passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the new passport book provides for faster clearance through some of the port-of-entry processes.

The new passport book does not require special handling or treatment, but like previous versions should be protected from extreme bending and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the new passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.

## NOTICE TO APPLICANTS FOR OFFICIAL, DIPLOMATIC, OR NO-FEE PASSPORTS

The addition of an electronic chip in the back cover enables the new passport book to carry a duplicate electronic copy of all information from the data page. The new passport book is usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format provides the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the new passport book provides for faster clearance through some of the port-of-entry processes.

The new passport book does not require special handling or treatment, but like previous versions should be protected from extreme bending and from immersion in water. The electronic chip must be read using specially formatted readers, which protects the data on the chip from unauthorized reading.

The cover of the new passport book is printed with a special symbol representing the embedded chip. The symbol  will appear in port-of-entry areas where the electronic passport book can be read.
